Independence County Library to Host Program: Protecting Yourself Against Identity Theft

Every two seconds, someone becomes a victim of identity fraud. Don't become a statistic. Join us at the Independence County Library for a free educational workshop and learn how to protect your identity and what to do if your identity has been stolen. Luanne Gregory, Financial Associate at Thrivent Financial, will conduct the workshop at the library on Thursday, March 16 at 2:00 p.m. The library is located at 368 East Main in Batesville.
