The Batesville Police Department, along with Mayor Elumbaugh, would like to take this opportunity to remind everyone of the directives issued by the Governor's office.

We have had several complaints of gatherings with more than 10 people in attendance, especially in the parks. Please be reminded this is currently not allowed. We all have to work together to accomplish this and as you have seen on the news there are many communities who are enacting curfews or mandatory lock downs which if we all work together we can avoid this situation in Batesville.

Please remind your kids, neighbors, or anyone who may not see this to please cooperate and we can avoid the issuance of citations or curfews.

Thanks,
